# A Chance To Make A Difference Become An ATVN Member Today

## What we do:

Amali Television Network (ATVN) is dedicated to community building by providing quality programming that educates and empowers all participants—viewer or producer.

## How you can help:

You can become ATVN member and reap great benefits. Here's what you can get:

- 1 year subscription to our quarterly program guide & information bulletin.
- ATVN membership card offers discounts from business affiliates
- Free or discounted tickets to specified TV show tapings
- Special acknowledgement gift.
- Invitation to ATVN annual party.

## What your membership does:

By becoming an ATVN member you will help us achieve our goal of community building. Your membership will provide support for the following:

- Amali Television Network programming.
- Enables children and their families from low income families to participate in community performing arts programs for free or at discounts.
- Help to fund community-based projects. Help to fund community-based projects. Our project this year includes our youth transitional program.
